

// LAW FIRM ADVISORY SERVICES

Economic factors, evolving technologies and cultural challenges in recent years have had a significant impact on the way law firms do business.

Our Law Firm Advisory Services team partners with clients in developing creative strategies to execute cost-effective, flexible and functional occupancy solutions that address current and long-term needs. By utilizing vast legal industry experience and extensive market knowledge, we focus on ensuring a law firm's real estate decisions support and enhance its overall practice.

Whether your law firm is considering a renewal, relocation, expansion or consolidation, the professionals at Axis are committed to providing a full range of customized solutions that deliver maximum, measurable outcomes.

- II Reduce overhead costs
- II Streamline operations
- II Improve space efficiency
- II Attract and retain attorneys
- II Enhance brand image
- II Increase profitability

We relate the following law firm Facility Trends to your specific needs:

- II Efficiency on practice floor
- II Consolidation of support staff
- II Relocate back office function to lower level space
- II Library reduction/elimination
- II War rooms located together and adjustable in size
- II Document management
- II Conferencing - flexible, tech-enabled, off-elevator lobby
